

November 24, 2020

Dear Parent(s)/Guardians,

As we prepare to celebrate Thanksgiving, let us remember with gratitude, the blessings of family and friends.

Please take note of the following reminders:

1. School pictures will be taken next week: Mon. – Grades 5 to 8, Tues. – Grades 1 to 4, and Wed. - Grades Pre-K, K, and Virtual Students (unless they report to the gym on the day of their assigned homerooms). **Students are to wear their school uniforms that day.** The make-up picture day will be January 13th. Since every child should be included in the class picture, again, individual photos, not as a group, I would ask each family, if finances are tight, to order the basic package which is \$14.99 and includes a class picture and two 5x7 pictures of your child and I will cover the cost until you are able to repay me in the New Year. (No interest except our interest to leave no OLC student behind.) Also, you may always order add-ons from the company later on, if you wish.
2. We are asking your assistance “photographically” for the yearbook as it will be dedicated to our First Responders & Essential Personnel. Sooooo, pictures of these individuals/families at prayer, work, play, study, virtual, sharing, caring, etc. may be emailed to Miss Dee Kramer at d.kramer@olcalvaryschool.org with identification, caption, clarification, etc.
3. Chrome books may be returned to the Faculty Room Wednesday, Friday, & Saturday between 9:00 A.M. and 5:30 P.M. and the latest by Monday, 11/30. TY!
4. Grade 2 will celebrate their “House” Saint, Frances Cabrini, with a pizza, juice, and ice cream lunch on Monday, November 30th.
5. Grades 8 & 1 and 7 & 2 may order pizza (\$1.50) on Monday, 11/30, for Mon. (8 & 1) and Tues. (7 & 2).
6. Brown Bag Express orders will begin the week of December 7th, however, BBE orders placed for 11/13 (Friday) will be given to those students on 12/4.
7. Reminders: Daily Student Health Forms must be sent online for each student daily, beginning Monday, 11/30. Also, your Thanksgiving Day Plan, mindful that celebrating with family and persons who have regular contact with them is the safe way to go.

Enjoy a richly blessed Thanksgiving with hope & our prayers for you & yours!

With warm regards,
Sister Mildred
