

October 1, 2020

Dear Parent(s)/Guardian(s):

As we venture into the second month of this school year, we appreciate your over-all cooperation and support to make that happen during these challenging times.

- 1- This First Friday Mass will be as scheduled with Grades 7 & 8 in attendance and the 9:00 A.M. Mass live-streamed. Student Council Installation will take place for Grades 7 & 8. Grades 5 & 6 hopefully in the new year. Safety Patrol not in play as yet.
- 2- Our 3rd Graders will receive their First Holy Communion this Saturday as scheduled. We pray that these students and their families be richly blessed on this important step in their faith-life and that they are now able to receive Holy Communion regularly.
- 3- Our Pre-K and Kindergarten children will celebrate their “House” Saint, their Guardian Angels, on Friday by visiting Church and having a pizza, juice, & ice pop treat at lunch, on the “house.”
- 4- DNH Caterers begin lunches on October 19th.
- 5- October Projects: Peanut Butter/Jelly for Food Cupboards & “Socktoberfest” Girl Scouts collect socks for the homeless. Your participation is appreciated.
- 6- Father Babowitch is anticipating the Columbus Holiday by giving it to us as a school holiday the Friday before, on October 9th, for a long weekend.
- 7- The Parent Night for Reconciliation for our Second Grade Communion Class will be postponed to February 3rd and combined with the Parent Night for First Holy Communion. Their Presentation Mass will be on October 25th in the Upper Church at 10:00 A.M.
- 8- Grades 7 & 8: Take advantage of the opportunities for scholarship tests, open houses, and events offered by our Archdiocesan and Private Catholic High Schools.
- 9- “Race for Education” is postponed to a later date.
- 10- Continue monitoring social media use/exploration by your kiddos and insist on positivity in their messaging.
- 11- Further updates will be noted on the school website under Announcements or Option C blasts.

Thank you for your attention to all of the above, as well as the online attachments. Please check the school website regularly and let us support and encourage each other this school year. Keep your families close to the Lord and His Mother and they will help you through the tough spots. This Friday our students will again be dedicated to Our Lady of the Miraculous Medal. Her image is on their Rosary Ring that they received last month so that Mary will protect them before, after, & during school hours from any dangers. Take care and touch base at any time!

With warm regards,

Sister Mildred
