

Dear Parent(s)/Guardians,

Just a few brief reminders for Day One Grades K to 8:

- a) Gym uniforms & lunch kits are A-Okay to wear and bring to school respectively.
- b) Water bottles should have spill-proof lids.
- c) Recess/lunch desk covers should be paper towels, not cloths.
- d) CARES begins at 6:30 A.M. in the gym.
- e) Kindergarten Kiddos enter the building through the Kipling Lane doors for temperatures and sanitization of hands.
- f) Walkers in Grades 1 to 8 enter the school through the gym doors or double doors behind the Church for temperatures & sanitization of hands.
- g) Car Line: Students remain in vehicles until temperatures are taken then they proceed to an entrance for (you guessed it) sanitization of hands. (They will be “spotted” - paper stick-on dot placed on student’s attire - so we know they are good to go.)
- h) Dismissal: Kindergarten parents remain outside Kipling Lane fence to await children at 2:25. Next week Pre-K parents pick up children outside modulars at 2:25.
- i) Car Line: Students in Grades 1 to 8, will exit the building at 2:30 while parents/guardians remain outside vehicles as students are escorted to you by the teachers.
- j) Be sure to return the bottom of the green form about dropping off & picking up students so the teachers are aware of what line your children should be in at dismissal.

Thank you for your attention to the above and know we are looking forward to and praying for blessings upon this school year.

With warm regards,
Sister Mildred
