

The George Karusky, IV Memorial Foundation keeps the spirit of GK4 alive. Georgie was a true Ryan Raider, a three-sport athlete who played baseball, soccer and football. Being a student in the Bonaventure Program afforded Georgie the opportunity to reach his full academic potential. He was set to start Chestnut Hill College to play football in the fall of 2020. Georgie gained great relationships with many people because of school and sports. At such a young age, he brought many people together and truly embraced everyone that he met. He is Forever in Our Hearts.

The GK4 Memorial Foundation is offering two four-year scholarships, at \$500.00 per year, to two students (a Raider and a Ragdoll) entering 9th grade at Archbishop Ryan High School for the school year of 2022-2023. Applications must be submitted by **Monday, February 28, 2022**.
