

## OLC PREP UPDATE from Sister Mildred:

- 1) Hoping all is well and you are keeping the Faith during these challenging times.
- 2) A reminder that you may register online and complete the new PREP COVID-19 waiver (mandatory) at our school website [www.olcalvaryschool.org](http://www.olcalvaryschool.org) at “Student Life.” Both forms will be available at our on-site registrations.
- 3) In addition to registration this weekend after Saturday’s 5 P.M. Mass and Sunday’s 8, 10, and Noon Masses, you may also register this Thursday and Friday from 4 to 6 P.M. and next Wednesday to Friday (9/8 to 9/10) from 4:00 to 6:00 P.M. at OLC Faculty Room behind the Church. You will receive the PREP Schedule for this school year, a Religion book and backpack for each child. Pencil cases with sharpened pencils will be given to the students at their first class on Tuesday, September 21<sup>st</sup>. Also, crayons and safety scissors will be in their classrooms in labeled zip-lock bags for class projects.
- 4) It was necessary to adjust Tuesday’s class time to 4:00 to 5:00 P.M. because some schools have dismissal changes. This also gives us more time to sanitize the classrooms between OLC and PREP classes. Class time for Sunday remains at 11:00 A.M.
- 5) The first Tuesday class (9/21) will assemble in the Lower Church in distanced designated areas for their orientation and Teacher/Classroom assignments.
- 6) The mask protocol is in place before, during, and after PREP classes until the students are outdoors. We will have extra masks available and we will be following social distancing. Our classrooms have ventilation with windows, ceiling fans and air conditioners. Rest room protocol will also be addressed to the students and each class will have hand sanitizers available. Students will have assigned seating and a seating chart will be strictly observed each week.
- 7) It is very important that parents/guardians monitor their child’s health and do not send a sick child to PREP class.
- 8) Your attention to the above is greatly appreciated and you should feel free to e-mail me at any time [sr.mildred@olcalvaryschool.org](mailto:sr.mildred@olcalvaryschool.org) with your concerns.
- 9) Take care, stay safe, and continue prayers for the many special intentions both local and global. You and yours are in mine.
