

J.M.J.

September 16, 2021

Dear Parent(s)/Guardians,

As we prepare to adjust to a new school year, we welcome you back and thank you for continuing to take transitions during challenging circumstances, in stride. Your acceptance of handling what is put before us with cautious directives is encouraging and for that we are most grateful.

We are sharing the following reminders and updates with any adjustments along the way noted on the daily Announcement section of the school website.

- 1- A reminder was sent home with the students today about their School Picture Day tomorrow. The students are to wear their school uniforms since their individual photos will make up their official class picture that is included with each Picture Package offered. We will let you know the re-take or absent student date when we find out from the Studio.
- 2- Our Christmas Drive ends next Friday and any student participating will have a designated dress-down-day in the near future. Your support is greatly appreciated because we are looking forward to fund-raisers that were not in play the past school year to give us a cushion for any school needs. Sooooo, here is an intro to our School Mall Program, which begins on Monday. The program is very exciting this year and we encourage you to look over the incentives for student participation and teacher rewards as a result of that. As long as we have been in this program, our teachers are encouraged by your support when they are able to benefit from the gift cards for school/classroom items. Please look over the packets that will be sent home with each child on Monday. TY!
- 3- Our Home & School Movie Night this Friday will begin at 7:00 P.M. and you may arrive as early as 6:30. Snacks/beverages will be available for purchase. The feature is “Boss Baby:Family Business.” Bring blankets and chairs. No parking will be available in the lot. Free Admission!
- 4- Car Line Dismissal: We ask that parents wait behind the cones for students to exit the building and if you are waiting for children in the Pre-K 4A area, as well as older siblings, please wait by the garage doors to collect your children so the other students can pass by to their awaiting pick-up persons. TY!
- 5- Please check the school website for important information about the COVID-19 Testing Consent Form. (If a child tests positive for COVID or is living in a household with someone who tests positive, the child will be offered virtual learning during his/her quarantine period only. The person/child must present their positive lab test results for the child to be considered for virtual learning.)
- 6- Thank you to those families who completed the necessary forms in your Family Communication Folder and we would appreciate all signed returns by next Tuesday.
- 7- The Universal 8th Grade High School Visitation Day scheduled for October 14th is cancelled and will not be re-scheduled.
- 8- Gym classes will begin the week of September 27th as Miss M. Kramer willing be planning the activities for Fitness Friday (9/24) next week.

In closing, we appreciate your attention to the above and the usual monthly attachments which are posted on the school website. Thank you for your support and encouragement. Know that you and your families are in our prayers. Do not hesitate to get in touch if we can help you in any way.

With warm regards,

Sister Mildred
