If you can help or have any questions, contact Gail at 585 309 6950 or gailkindlon@gmail.com

BIRTHRIGHT OF ROCHESTER, INC.

Birthright's focus is on the distressed mother and her baby. Birthright provides whatever help is needed to help the mother bring her baby to birth. They provide support to vulnerable women in our community, confidential crisis intervention and access to needed resources. Birthright offers love, friendship, and support to women who are pregnant or think they may be pregnant. We help women make a realistic plan for their future.

WOMEN'S CARE CENTER

The Women's Care Center provides free and confidential information regarding pregnancy in a safe environment. They also provide referral services for medical, legal, financial and adoptions questions. Other services include abortion recovery support, maternity and baby clothes and furniture as well as childbirth and parenting education classes and a 24 hour hotline.

YWCA YOUNG ADULT SERVICES

Each year, the YWCA serves hundreds of pregnant and parenting young mothers and their children through our Young Adult Services. In group and individual counseling sessions, young women learn how better to communicate, make decisions, set goals and more. They attend workshops on parenting and career exploration. They visit local colleges. Above all, they find the acceptance and encouragement they need to believe in their own potential.
