

## Kindergarten Summer Reading

This summer the teachers are asking for their incoming students to choose their favorite book from home. It should be a story that the students are familiar with and enjoy listening to at home. The student will then draw a picture of their favorite part of the story.

The students will need to bring in their favorite book and picture they completed into the classroom when the school year starts. Each student will have the opportunity to share about why they chose their story!

This is meant to be a fun project for all students and it will help teachers see what each student likes to read about. There is no need to buy new books for this project, books from home or even library books make great choices for this project!

Below is a list of titles that would make great choices for this project if you and your student are stuck:

*Where the Wild Things Are*  
*Goodnight Moon*  
*The Giving Tree*  
*Sylvester and the Magic Pebble*  
*Madeline*  
*If You Give a Mouse a Cookie*  
*No, David!*  
*Curious George*  
*Brown Bear, Brown Bear What do you see?*  
*Chicka Chicka Boom Boom*  
*The Rainbow Fish*  
*Don't Let the Pigeon Drive the Bus*  
*Lily's Purple Plastic Purse*  
*Guess How Much I Love You?*  
*Clifford The Big Red Dog*

Thank you for your participation in our Summer Reading Projects. We are looking forward to a great year with your students!
