

PreK-4 Summer Reading

Dear Families,

Our summer reading focus will be on the author/illustrator Eric Carle. Please choose a story that is written by him, below you will find some suggestions. If you do not have any Eric Carle books the library is a great place to visit for this project! There are some stories that are read aloud online that you could listen to with your child as well.

The student will then draw a picture of their favorite part of the story. The student will need to bring in their picture they have completed and book if possible into the classroom when the school year starts. Each student will have the opportunity to share about why they chose their story!

This is meant to be a fun project for all students to work on with their families and share with their classmates.

Below is a list of some titles that would make great choices for this project

The Grouchy Ladybug
The Mixed- Up Chameleon
The Very Quiet Cricket
They Very Busy Spider
The Tiny Seed
The Very Lonely Firefly
Pancakes, Pancakes
The Very Hungry Caterpillar
Little Cloud

Thank you for your participation in our Summer Reading Projects. We are looking forward to a great year with your child!

- Mrs. Cardoso
