

# RONCALLI

## CATHOLIC SCHOOLS

October 8, 2021

Dear Roncalli Families,

Our thanks to the members of our Healthcare Advisory Committee who have advised our school administration and Board of Trustees during the pandemic. Members who have participated this year include:

Jessica Barta  
Kurt Evanoff  
Cathie Kocourek  
Dr. Jerry Paczkowski  
Dr. Betsy Wernli

Dr. Matthew Culligan  
Kellea Ewen  
Dr. Matthew Koeberl  
Dr. Andrew Rimmer

The committee advises our school administration regarding procedures and protocols related to the health of our staff, students, and school community. Their goal continues to be to provide the best opportunities for our students to grow spiritually, academically, and emotionally. They will continue to monitor and evaluate data, statistics, and new developments related to COVID-19.

The Healthcare Advisory Committee conducted a discussion regarding masks between committee members. While there is a difference of opinion among members, the optional masking will continue at Roncalli Catholic Schools and will continue to be monitored closely. Parents are encouraged to choose to have their children masked if they desire. This will be supported and honored by our school principals and staff.

The committee strongly recommends vaccinations for individuals that are age 12 and older. Our local hospital systems and national statistics report that over 90% of the COVID-19 related hospitalizations are unvaccinated individuals. COVID-19 vaccines are safe and remain highly effective at preventing severe disease. The best way to protect yourself, your family, and your community is by getting fully vaccinated.

To find a local vaccine provider:

[Advocate Aurora Health](#)  
[CVS Pharmacy](#)  
[Holy Family Memorial](#)  
[Kewaunee Public Health](#)  
[Prevea Health](#)

[Walgreens Pharmacy-Chilton](#)  
[Walgreens Pharmacy-Manitowoc](#)  
[Walgreens Pharmacy-Two Rivers](#)  
[Walmart Pharmacy-Sheboygan](#)

With warm regards,

John Stelzer, president of Roncalli Catholic Schools
