

Welcome

You and your family may be starting the year learning remotely due to the pandemic, but please remember that We are here to help! Our goal is to get our children back into their regular Religious Education classrooms as soon as it is safe to do so. The *Pflaum Gospel Weeklies* we are using this school year are the **MOST meaningful** when completed weekly in conjunction with attending/viewing Sunday Mass. These materials will mirror and explain in an age appropriate manner the very same Gospel reading that your family hears at Mass. We strongly encourage families to complete the material each week as close in time to attending/viewing Mass so that your child(ren) can get the most from their remote Religious Education. We commend you for continuing to attend/watch the Mass and keeping up with your child(ren)'s Religious Education despite the current circumstances. We know that learning remotely can be a challenge for your family. Please call or email if we can be of assistance.

MONTHLY ENRICHMENT

Enrichment Lessons

All families, in addition to the Gospel Weeklies, will be required to complete at least one monthly Enrichment Activity.

This work is to be turned in with your child's Gospel Weeklies work. You may either turn these in virtually using the designated email assigned by grade level OR you may turn the work in physically using the drop off bin in the Church Narthex Sunday mornings following the 9 AM Mass until 11 AM. All work turned in physically needs to be in your child's manila folder clearly marked with the child's full name and grade.

SACRAMENTAL PREP INFO

If you have a child enrolled in any of the Sacramental Prep Programs this year (First Reconciliation, First Holy Communion, or Confirmation) there will be additional materials and instructions for you.

All Sacramental Prep Programs will begin in October. Please keep an eye on the Parish Bulletin and Website for additional information.

HOW TO DO THE LESSONS

COMPLETING YOUR GOSPEL WEEKLIES

Gospel Weeklies

All Gospel Weeklies are designed to be done weekly by the families and children. All materials are available virtually (a link will be provided) as well as physical copies. If you choose to have physical copies of the materials, you will need to make arrangements to pick-up.

All Gospel Weeklies have questions embedded within the lessons under the **THINK section**, or found set aside from the text often next to a lightbulb. **All questions need to be answered by your child on a separate sheet of paper, as well as completing any activities included within your child's packet before you turn in your child's work.**

When all the Gospel Weeklies are completed for each month, please either **email the completed work to the designated email OR turn in the physical work in your child's manila folder in the drop off bin located in the Church Narthex on Sunday mornings following the 9 AM Mass until 11 AM.**
