

## **Confirmation Online Assignment Instructions & Due Dates 2020-2021**

Our Confirmation Prep for the 2020-21 school year will be using the online program titled *Decision Point*. On our [parish website](#), under the Sacraments tab "Confirmation" you will find the links to all the materials for each session. Both the video lessons as well as PDF workbook pages for students are completely accessible online.

Confirmation Students will work on completing each session over the course of two weeks (see calendar below for due dates). Begin by watching the videos for each session, which again, can be found directly on the Parish Website, under the Sacraments tab "Confirmation". Once you have finished watching the 5 videos for each session, click on the Workbook Pages for the session (also linked to the Parish Website).

Within each session there are four sets of discussion questions. These sets of discussion questions are located in the online student workbook. Confirmation students should answer all the discussion questions found within each of the four sessions. The students should then choose any three discussion questions from the entire lesson to submit in writing by email to the Religious Education Office. Please email your three chosen discussion question answers to Mrs. Joni Kilgore ([JKilgore@stchristopherski.org](mailto:JKilgore@stchristopherski.org)). This is how each student will receive credit for completing the assigned lessons.

Below is the schedule of assignments and due dates for this year. If you have any questions please contact the Religious Ed. Office.
