

Are You Saving Enough for Your Child's College Education?

SPECIAL SESSION: [OCTOBER 22 | 7 p.m. EST](#)

Our Lady of Mount Carmel
Parish Hall
14596 Oak Ridge Rd.
Carmel, IN 46032

There's no denying the benefits of a college education, especially the ability to compete in today's competitive job market. But every year, college costs continue to increase, often at twice the rate of general inflation. That's why it's so important to start saving now.

I've put together an exclusive session to talk through important considerations such as:

- How much college will cost in the future
- Tax-advantaged ways to save for college, including 529 plans and Coverdell education savings accounts
- The role of financial aid, including how need is determined and how assets are classified for federal aid purposes
- Other ways to fill the college funding gap

You'll also receive a free workbook created just for this presentation. The workbook contains key information, worksheets, and questions to help you remember important points from the seminar.

Please make time to join me for this important event. If you can't make it this time, make sure to let me know so we can schedule another session at a time that works better for you.
