Salina Central Millennium Scholarship

The classes of 1998, 1999, and 2000 created this scholarship to honor the memories of their classmates whom they have lost. The idea to create a scholarship came from Adam Burnham Hulstine as part of the preparations for the 20th reunion of the class of 1999. When Adam passed just before the reunion, his classmates organized to bring his idea to life.

Each of the individuals who are remembered through this scholarship is cherished as friends who made the world better for their presence and who are missed dearly by their families and classmates.
