Pardon Our Dust Community Center Construction Update

This is truly exciting time for the St. Perpetua community! Construction of the community center is progressing rapidly with both the exterior and interior undergoing dramatic transformation. What was until recently only a shell of a building, today several initiatives are underway, or will soon be, bringing the Community Center closer to its anticipated completion date of mid-February. A summary of those projects entails:

- ◆ Acoustic ceiling scheduled for completion this week.
- ◆ Tilework in bathrooms underway.
- ◆ Interior/exterior painting underway.
- ◆ Kitchen tilework near completion.
- ◆ Installation of kitchen equipment including cold storage room underway.
- ◆ Light fixtures being installed.
- ◆ Bio-swale retaining walls installed and backfilled.
- ◆ Grade beam for church canopy completed.
- ◆ Concrete in front of church and new hall will be poured in the coming weeks.
- ◆ Church canopy to start construction soon.
- ◆ Grand Hall movable partition wall to be installed in the next two weeks.
- ◆ Concrete floors to be polished by end of November.

All of this has been made possible through the generosity of our entire parish and school community. However, to maintain this excellent progress and complete the community center on schedule requires we raise the remaining \$553,000 in pledges as soon as possible. Soon, our financial outlays will exceed available funding. For those of you who have not yet responded to our appeal for support, now is the time to put your faith in action pledging your support, which may be payable over a three-year period.

Thank You for Supporting Our Vision Realized Campaign

On behalf of the entire St. Perpetua Parish and School community, we extend our appreciation to these donors for pledging their support to **Continuing Our Growth ...Building Our Future—Our Vision Realized the 2018 Campaign.**
