Re: Gun Violence Prevention

We, the parishioners of St. Perpetua Parish in Lafayette, California make the following statement. We express our grief most recently with Gilroy, El Paso, Dayton, and Odessa. We express our solidarity with all victims of gun violence. For people of faith every life is sacred. We demand a ban on assault weapons. We require universal background checks. We request funding for research into gun violence as a public health issue. We seek candidates who value life and the common good. We will consistently call for legislation to end gun violence. Thank you for all your effort for this cause now, and in the past.
