#### **SCHOOL ATTENDANCE AREA**

School attendance areas are defined by diocesan criteria for both elementary and high schools.

#### **ELEMENTARY SCHOOLS' CRITERIA**

1. A student shall attend the school of the parish in which the student's parent(s)/guardian(s) are registered members. As stated in policy, if the parish school is full, the student may attend another parish school if the student's pastor and the pastor of the chosen school concur.

In the case of a consolidation, a number of parishes shall be assigned to a particular school.

2. If a parish has no school, the children may attend a nearby parochial school. Financial arrangements shall follow guidelines set forth in policy 3240.0

#### **SECONDARY SCHOOL CRITERIA**

1. The location of the residence of the student's legal guardian is used to determine the assigned high school. (This is defined by the specific street address, not the general zip code area.)
2. Boys may also attend St. Charles Preparatory School.

#### **WAIVER REQUESTS**
