Saturday Vigil Mass

Sometimes changes are in order. For quite a while, I've considered making the Saturday vigil Mass at 5 p.m., an earlier liturgy at St. Joseph (Bonne Terre). People have told me that the earlier Mass on New Year's Eve was a very positive thing, especially as it gets darker earlier in winter. When we typically depart Mass on Saturday evening in winter, it's dark. It would be easier traveling home, especially on narrow highways away from the city if there was still light. It is my opinion to move the 5 p.m. to **4 p.m. beginning Saturday, February 1, 2020. Confessions before Mass, 3:15-3:45 p.m.**

At this point we would keep that 4 p.m. Saturday time through the summer as well.

Fr. Steve Bauer, Pastor

We will have the *Blessing of the Throats* at all the Masses this weekend, Saturday, February 1st and Sunday, February 2nd at St. Joseph and St. Anne Parishes.

St. Blaise Bishop and Martyr

As the bishop of Sebastea in Armenia, he died as a martyr during a wave of persecution under the emperor Diocletian. His feast is marked by one of the most popular Catholic devotions: the blessing of throats with lighted tapers. This practice combines features of two stories about the saint's life: one in which he healed a boy with a fishbone stuck in his throat, and another in which a woman, visiting him in prison before his death, brought lighted candles to brighten the gloom of his cell.

St. Blaise is also remembered for his kindness to animals. For some time he escaped persecution by hiding in a cave which he shared with a number of wild creatures. After he had healed them of all their ailments they gladly accepted his blessing and offered him company and protection. Even after his arrest, his solicitude for animals continued.

“Through the intercession of St. Blaise, bishop and martyr, may God deliver you from every disease of the throat and from every other illness.” Excerpt from Give Us This Day
