Buildings and Grounds:

- Lawn mowing: New insurance regulations will allow only 18 years and older to operate mower and trimmer. Trumms are interested.
- Cemetery: Julie will check into plans for the shrine area. Som Stecklein suggests arborvitae for along the cemetery road.
- The sacristy heater isn't working. Kevin will look into it.
- Next improvement projects: The steeple louvers will be repaired in June/July after the ground is dry.
- Ryan will look into plans for a picnic meatcutters shelter.
- Ron Krapfl is retiring from snow removal. Ray Manternach Manternach also helped this past winter.
- Marie Knepper will coordinate workers for Cougar Day.

Mid Winter Fling: Reviewed report. Pie auction was the best ever. Might not use youth volunteers next year because of new insurance regulations requiring background checks.

Lent/Easter:

- Stations of the Cross added to Adoration and Rosary on Wednesdays during Lent.
- Lenten discussion group on Mondays during Lent using a DVD series by Bishop Barron on Christianity.

- Easter Mass at St. Peter's will be at 9am with Easter Egg Hunt following. Marie will take care of filling the eggs.

Blood Drive: Fall drive is now scheduled for September 16. Julie will try to schedule the March drive now.

Picnic:

- We need a new source for bounce houses. Ryan is checking options. (See the email from Ryan for possible options.)
- Lisa has prepared letters to go out to picnic donors soon.

Financials: Motion by Joan and second by Marie to approve January and February financial reports. All ayes.
