Old Business:

The church rain spouts will be repaired when weather permits.

Live mass updates – the video equipment is up and running well. The Saturday evening mass is now available on Facebook and parish website. There are 4 parishioners operating the cameras, but there is a need for more. Suggestion to put a notice in the bulletin for more help.

New Business:

The stone around the church is in need of a good cleaning and tuck pointing. Fred Jackson Tuck Pointing Co has done it in the past and this company will be contacted in the future.

A suggestion was brought up to broadcast the weekly mass on the local access channel as not all parishioners have a computer and/or access to the internet. Along with that, the times the Mass is on will be posted on the parish website, in the back of church on the bulletin board and in the bulletin.

Next meeting date is set for March 9th Sacred Heart, Filmore.

Matt made motion adjourn and Mike McDermott seconded. Meeting adjourned at 7:55 PM.

Respectfully submitted, Jean M Lynch, Secretary.
