July 24, 2020

Dear Parents and Guardians of Saint George Independent School,

Your head must be spinning from the bombardment of announcements regarding the opening of school in September. Please when hearing these announcements remember that St. George can accommodate social distancing in the classroom, lunchroom, and school yard. The safety of our students, faculty and staff are and will continue to be the priority. Our Task Force will meet again on August 11, 2020 to review and revise, where necessary the current guidelines. We must be flexible and ready to adjust to changing mandates.

As mentioned in last week's letter, it is important to have paid your June deposit of \$500.00 and the July tuition payment. If these fees have not been paid and your child is returning, please call after August 10, 2020, to set up an appointment for a payment schedule. I do not want to take your child's seat for a new registration. We will be capping the size of the classes so that social distancing is maintained.

The following is posted on our Facebook and it is an opportunity for our school to win additional funding. Tomorrow's leaders need supplies today. Donations to our school's AdoptAClassroom.org page will help us purchase the resources our students deserve, so they can dream big and succeed. To donate, or to learn more about what we need, click the link below. Thank you!

Just a reminder that school will begin on Tuesday, September 1, 2020 for grades one to eight. September 1st, 2nd and 3rd will be early dismissals. Prekindergarten and Kindergarten will be begin on Tuesday, September 8, 2020 and full day classes start on that date.

I will be on vacation for the next two weeks. I am looking forward to the opportunity to recharge for the upcoming school year. I am sure it is going to be one that requires a great deal of energy. I cannot thank you enough for the energy you supplied me during this past year. You made the year, despite the Pandemic, a wonderful year for me. I am happy to be back at St. George. Everyday provides an opportunity to remember a happy event from my eight years as a student. I want our students to be able to look back and remember happy times at St. George.

Thank you for your support and your trust in Saint George!

God be with you,

Dr. Walls
