Special Information...

In-person Learning

District 241 will be doing only distance learning from Nov. 18th until Dec. 4th. We WILL have transportation for our students during this time. We are taking every precaution to keep our students and staff safe. If you are having any COVID symptoms, please refrain from coming to school. We want to remain open and the more we all take the necessary precautions the better chance we have of doing so. Please keep us all safe by washing your hands, wearing a mask, and staying home when you're not feeling well.

Minnesota Weather

With our weather changing its mind every other day, remember to be prepared. Please make sure to be watching and when needed send your child with winter coat, hat, gloves, winter boots, and snow pants. The students will go outside for recess unless the temperature drops below zero.
