

PHASE 2 WEEKLY EMAILS

To: 7th grade parents/guardians and students
From: Your Middle School Core Subject Teachers
Re: Phase 2, Week 1 of At-Home Learning

GENERAL: Welcome to Phase 2 of At Home Learning! In order to avoid you receiving an email from each one of us, we will send you one weekly email listing the week's assignments for our classes.

This information will also be posted on PlusPortals. Also, remember all assignments are due by 3:00PM Friday each week. 6 points will be deducted for each day late.

If you have not done so already, please email the letter you wrote to your child to Mrs. Tullis (dtullis@ollourdes.org). We would like to have the letters not later than May 1st

READING: Mrs. Veazey. Students are to complete IXL, E. Literary Devices. For each activity, you want to obtain a score of at least 80% in order to earn an "A" for this week's assignment. I have put a video introducing these activities on PlusPortals. Please watch it if you can.

SOCIAL STUDIES: Mrs. Beebe. Students will complete Social Studies IXL strand OO1, The Civil War (beginning). Students will log into their IXL account using the same information they use for math. They will need to click on the Social Studies section. They must get to mastery in order to get an A, they do not need to do the challenge bonus stage. I have attached a link to a video that may be helpful in completing the strand: (<https://www.youtube.com/watch?v=R483ORecAm4>).

SCIENCE: Mrs. Beebe. Students will do IXL strands A1 and E1. Students must master each section. (There is not a smart score for science; you are not required to do the challenge bonus stage).

- A1 is a strand about the Scientific method. I have attached a link to a video to help with the strand: (<https://www.youtube.com/watch?v=SMGRe824kak>).

- E1 is a strand about atoms and molecules. Students must master each section. I have attached a link to a video to help with the strand: (https://www.youtube.com/watch?v=BvYiMnRN_A).

MATH HONORS: Mrs. Puntila. Please watch the following videos and then complete the corresponding IXL strands with at least a Smartscore of 80. Due Friday, April 24th

- Complementary and Supplementary Angles <https://www.khanacademy.org/math/basicgeo/basic-geo-angle/vert-comp-supp-angles/v/complementary-and-supplementaryangles>
- Vertical Angles <https://www.khanacademy.org/math/basic-geo/basic-geo-angle/vertcomp-supp-angles/v/angles-at-the-intersection-of-two-lines>

IXL O.13 Identify Complementary, Supplementary, vertical, adjacent, and congruent angles IXL O.14 Find measures of complementary, supplementary, vertical, and adjacent angles.

MATH: Mrs. Puntila. Please watch the following videos and then complete the corresponding IXL strands with at least a Smartscore of 80. Due Friday, April 24th

- Complementary and Supplementary Angles <https://www.khanacademy.org/math/basicgeo/basic-geo-angle/vert-comp-supp-angles/v/complementary-and-supplementaryangles>
- Vertical Angles <https://www.khanacademy.org/math/basic-geo/basic-geo-angle/vertcomp-supp-angles/v/angles-at-the-intersection-of-two-lines>

IXL W.16 Identify Complementary, supplementary, vertical, adjacent, and congruent angles IXL W. 17 Find measures of complementary, supplementary, vertical, and adjacent angles

RELIGION: Mrs. Tullis. Please pray a Decade of the Rosary daily (English or Latin) and complete the following:

Chapter 13 - The Sacrament Matrimony

1. Watch video Sacraments 201 Matrimony <https://www.youtube.com/watch?v=qR41fFtPBzM>
2. Read pages 151-159
3. Listen to this song about marriage - Our Love in a Marriage is like God's Love for us <https://www.youtube.com/watch?v=ywCiDhbD-Js>
 - Give it Away | Weird Animals VBS | Group Publishing
4. Page 161 - Answer questions at the end of the Chapter #1-5 Test Review.
5. Email Answer on Friday before 3pm to dtullis@ollourdes.org Due Date: April 24th

LANGUAGE: Mrs. Guillot. Complete IXL strands D.2- Match causes and effects in informational text and G.2- Vocab review: Read and understand informational texts. . For each activity, you want to obtain a score of at least 80% in order to earn an "A" for this week's assignment. Also watch the video at <https://www.youtube.com/watch?v=reGjAI4lxMs>.
