

## PHASE 2 WEEKLY EMAILS

To: 7th grade parents/guardians and students  
From: Your Middle School Core Subject Teachers  
Re: Phase 2, Week 2 of At-Home Learning

GENERAL: Welcome to Phase 2 of At Home Learning! In order to avoid you receiving an email from each one of us, we will send you one weekly email listing the week's assignments for our classes.

This information will also be posted on PlusPortals. Also, remember all assignments are due by 3:00PM Friday each week. 6 points will be deducted for each day late.

If you have not done so already, please email the letter you wrote to your child to Mrs. Tullis ([dtullis@ollourdes.org](mailto:dtullis@ollourdes.org)). We would like to have the letters not later than May 1<sup>st</sup>

READING: Mrs. Veazey. Thank you to all students who have turned in their essay. For those of you who have not yet done so, please do so ASAP.

For this week, students are to complete IXL, H. Comparing Texts (1 and 2). For each activity, you want to obtain a score of at least 80% in order to earn an "A" for this week's assignment. I have put a video introducing these activities on PlusPortals. Please watch it if you can.

SOCIAL STUDIES: Students will complete Social Studies IXL strand OO2, The Civil War (Conclusion). The students must get to mastery in order to get an A, they do not need to do the challenge bonus stage. I have attached a link (<https://www.youtube.com/watch?v=EUXc-rall80>) to a video that may be helpful in completing the strand.

SCIENCE: Students will do IXL strands O1 and P1. Students must master each section. (There is not a smart score for science, you are not required to do the challenge bonus stage). O1 is a strand about Cells. I

have attached a link to a video (<https://www.youtube.com/watch?v=8IlzKri08kk>) to help with the strand. P1 is strand about Organization in the Human Body. I have attached a link to a video ([https://www.youtube.com/watch?v=dva-f\\_btvk](https://www.youtube.com/watch?v=dva-f_btvk)) to help with the strand.

MATH HONORS: Please watch the following videos and then complete the corresponding IXL strands with **at least a Smartscore of 80**. **Due Friday, May 1<sup>st</sup>**

- What's a polygon? [https://www.youtube.com/watch?v=NI\\_fgCz3v8A](https://www.youtube.com/watch?v=NI_fgCz3v8A)
