## 2019-2020 ATHLETICS UNIFORM AGREEMENT

Welcome parents and students to the 2019-2020 Athletic school year. All SAS players will purchase and keep their uniforms instead of returning them to school at the end of the season. If your child participates for multiple years the uniform may be reused. We are very excited to showcase our uniforms and look forward to many athletic achievements while wearing them. Please see below for some important information regarding the new athletic uniform policy and procedures. Please note the prices below do not include the \$35.00 athletic fee.
