September 9, 2021

Dear St. Andrew the Apostle Families,

St. Andrew the Apostle received power on Wednesday, September 8<sup>th</sup>. Our school sustained no structural damage. Our HVAC, electrical, plumbing, and Fire Detection Systems were all thoroughly inspected and all are working properly at this time.

St. Andrew the Apostle will reopen school to in-person learning this Monday, September 13<sup>th</sup>. Please note that lunch will NOT be available from the school cafeteria. ALL students must bring a bag lunch from home on Monday, September 13<sup>th</sup>.

School Food and Nutrition Services will resume providing lunch to our students on Tuesday, September 14<sup>th</sup>. Please understand that the lunch menu will be limited and students will only be provided 1 menu option until further notice.

If your St. Andrew the Apostle child in kindergarten – 7<sup>th</sup> grade is unable to participate in on-campus learning they must enroll in our virtual program, IVL.

The Director of our school virtual program, IVL, is Mrs. Erin Sarrat. She can be reached by email at [esarrat@sasno.org](mailto:esarrat@sasno.org) if you have questions pertaining to virtual learning.

In an effort to meet ALL students' needs, we need 100 percent participation in the survey provided below. Only one survey is needed per family. Please complete the 2-minute survey before noon on Friday, September 10<sup>th</sup>.

<https://forms.gle/9yyq7y4WZr1xRqn7>

We hope to see most of our families back on campus this Monday, September 13<sup>th</sup>. Don't forget to pack a bag lunch. In addition, I must remind you that all COVID-19 protocols are still in place.

Let us continue to pray for all of those that have been impacted by Hurricane Ida.

Many Blessings,  
Katherine H. Marchese, M.Ed.  
Principal
