Our Parish Mission

We, the people of St. Mary's, strive to be a community united with God, dedicated to continuing growth in knowledge and faith, giving witness to Christ through love, worship, education, and service. So that we may fulfill this mission and integrate spirituality with life, we shall reach out to all peoples within and beyond our faith community.

NEW PARISHIONERS: We are always happy to welcome new people into our parish family. Please contact the Pastoral Center to register or for more information.

BAPTISMS: Baptisms at St. Mary are held on the first and third Sundays of the month at 12:30 PM. Parents may also schedule to have their child baptized during one of the Sunday Masses. A preparation session for parents preparing for the baptism of their first child is held on the second Monday of the month in the Pastoral Center. Call the Pastoral Center for more information.

MARRIAGES: The policy for the Diocese of Worcester requires a period of one year preparation for the Sacrament of Marriage, which includes sessions with the parish priest and participation at either the pre-cana conferences or the Engaged Encounter weekend. Contact one of the priests for arrangements.

PASTORAL CARE: Arrangements for the reception of the Sacraments for homebound parishioners can be made by contacting the Pastoral Center. Please also notify the Pastoral Center when a parishioner is in the hospital or otherwise confined. Emergency sick calls at anytime.

ST. MARY PARISH PASTORAL COUNCIL ELECTIONS

With three open seats on St. Mary's Parish Pastoral Council and three candidates, we will not need an election this year. Congratulations to Jean Campaniello who begins her second term on the Council and to Adib Karam and Sheryl Zarozny who will begin their first term.

We extend our thanks and gratitude to Bob Doiron who will be completing his second term and Jim Farrell who has completed his term. Many thanks for your active support and work on behalf of the people of St. Mary's.

Jean Campaniello (second term)

Adib R. Karam (first term)

I was born and raised in Lebanon and permanently moved to the United States in 2008 in pursuit of subspecialty training at the University of Massachusetts Medical School. My Wife, Rita Semaan, and I have lived in Shrewsbury since June 2011, and we have one son, Jonathan Karam, who attends St. Mary School. As a parishioner I value the relationships I have developed at St. Mary's Church and I also value the church's commitment to community outreach and its culture of inclusiveness.

After graduating from the Lebanese University Medical School (Beirut, Lebanon), I completed residency training in Diagnostic Imaging at the American University of Beirut (Beirut, Lebanon) then subspecialty fellowship training at the University of Massachusetts Medical School. From 2009 – 2017 I worked as a Radiologist at UMass Memorial Medical Center and Assistant Professor of Diagnostic Imaging at The University of Massachusetts Medical School. Since 2017 I have worked as a Radiologist at Rhode Island Hospital and Assistant Professor of Diagnostic Imaging at The Warren Alpert Medical School of Brown University.

Sheryl Zarozny (first term)

I have been a part of St Mary Parish since I moved to Shrewsbury in 1991. My husband has been part of the parish since he was three years old so there have been many family events at the church over the years. Our three children have attended St. Mary School and St. Mary religious education over the years. I have been a teacher in the CCD program for a few years at the second and ninth grade levels. My two older children have graduated from college and my youngest is finishing up her freshman year in college now. I also donate my time and talent as a board member for Women in Action, Inc a nonprofit agency which offers assistance to women to increase the range of opportunities, activities, skills, roles, and rights available to women by encouraging the fullest use and development of women's abilities and resources.

Most recently I was the AVP Engagement Management for a national health care consulting firm. I have an undergraduate and graduate degree in business. My professional focus has been on working with healthcare organizations in strategic program/project management, new product development, and business process improvement. I believe my experience would be a great addition to the Pastoral Council.
