Dear Community Member:

We are excited about this year's annual Family Festival at St. Mary's in Shrewsbury that will be held this year on September 13th, 14th and 15th. The focus of the family festival is to provide a fun-filled weekend for our local community to enjoy while working toward our primary goal of providing an affordable quality education. **This wonderful event consistently draws thousands of children and adults each year!**

We are fortunate to be among so many generous business people, as yourselves, and have come to rely on your support to help make our festival successful. Please consider one of the following ways to help us this year:
