DESCRIPTION	BIBLICAL CHARACTER	BIBLICAL PASSAGE
I survived a great flood, and witnessed how God made a covenant of love with all the peoples of the earth.		
God asked me to worship him alone and, promised to give my wife, Sarah, and me a son in our old age.		
God promised my father that my descendants would be as numerous as the stars.		
I wrestled with an angel all night and God spared my life.		
God called to me from a burning bush and sent me to free his people from slavery.		

**Reflect** on what these stories from the Bible mean. How does God stay faithful to his people, even when they turn away from him?
