with My Family

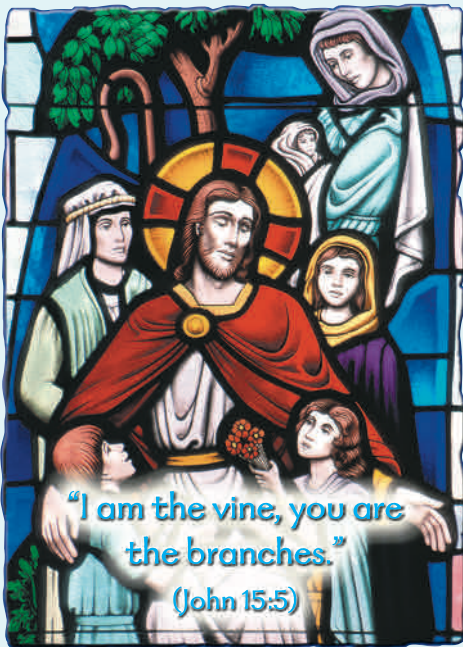

Sharing What I Learned

Look at the pictures below. Use each picture to tell your family what you have learned in this chapter.

For All to See

Jesus, Help Us

Jesus, help us stay close to you by the words we say and by the things we do.
Jesus, we will keep you close in our hearts when our family is together and when we are apart.

Growing Closer to Jesus

With your family, talk about what each of you has done this week to grow closer to Jesus. Write one thing on each leaf of the vine below.
