Religious Education Re-Registration 2020-2021

Religious Education Registration for all grades will take place in the Parish Life Center Monday-Friday 9am-3pm. Students who are new to the Religious Education ministry will need a copy of their baptismal certificate. First Communion requires first and second grade attendance if you attend public or private school. Catholic school students are not required to attend Sunday morning classes. However Catholic school children must register for the First Communion Sacramental Preparation. High school students in tenth grade prepare for the sacrament of confirmation. Registration into the Sacrament of Confirmation Preparation is required for both Catholic and Public High School Students. For those families who were registered last year (school year 2019-2020), we offer you the convenience of registering by mail. Simply complete the re-registration form and mail it to the RE Office (address above). If you are new to the parish or the RE program, you may pick up a white card stock form from the church foyer complete and return to the Religious Education Office. *Classes begin Sunday August 9th. We highly encourage children who have made their first communion in 2020 continue on with their religious formation by attending Sunday morning classes.*

RE-REGISTRATION FORM
