Celebrating All Hallows' 75 Anniversary

All Hallows' Parish was founded in a Stockton Boulevard storefront in 1942, on the 100th Anniversary of the founding of All Hallows College Seminary in Dublin. Naming the parish "All Hallows" was testimony to the contributions of the priests who had come to Sacramento - and All Hallows - from this famous Irish seminary.

In 1946, the parish came to its current location on 14th Avenue and 55th Street, beyond the edge of Sacramento's Oak Park residential district, adjacent to land that was still farmed and ranched. However, the rural was

soon to give way to the fast-growing residential areas of Tahoe Park, Tallac Village, Fruitridge Manor and Colonial Heights, mostly built in the 1940s and 1950s, and composed almost exclusively of homes financed by the World War II GI Bill.

In 2022, All Hallows' Parish is celebrating its 75th anniversary. We are planning special events throughout the year.

Currently, we are asking for historical photos that you would like to share on our social media platforms. Send via email: to: Lstruebing@sp-ah.org.

Today's Reflection:

The Baptism of the Lord

In our first reading, Isaiah says that the Lord has "... called you for the victory of Justice..." What would this victory look like? Not a courtroom verdict, litigants can manipulate the legal system to thwart justice. Our gospel reading offers a better look.

The baptism of Jesus is a vision of what the real victory of Justice would look like. John baptized Jesus, and God revealed Christ's identity and confirmed his mission. The skies part and the Divine voice booms from the heavens that Jesus of Nazareth is the son of God and the genuine victory of justice. The only law he proclaims is the law of love which he embodies. His justice is merciful and self-sacrificing. Our day-to-day experience of victory is less dramatic than today's gospel.

Years ago, one member of our Saint Vincent de Paul Society, Alice, wanted to install a poor box in the church's vestibule. There were serious concerns about this. The possibility of theft and the difficulty of monitoring were serious roadblocks. Alice was not to be denied and came back with solutions to all the problems. She had her poor box. It is the slot next to the Gift Shop. When we checked it last week, we found parishioners had generously contributed \$120.00 to Alice's poor box. Every penny will help neighborhood families in need. If you want to see what Isaiah's victory of justice looks like, go to the parish website, click on "Ministries", then click on "St.

Vincent de Paul Society". You'll find a picture of Alice's poor box when we blessed it. Alice is the second person on the left. This is what the victory of Justice looks like to me.
