

## **SS. Peter and Paul, a Catholic Community School**

### **Strategic Plan Summary**

#### **Pillar I – Supportive and Family-Centered Community**

Goal: To welcome all as Christ

- Ensure a positive first and lasting impression and sense of welcome
- Enhance effective communication between school and families
- Deepen sense of ownership and community among the students and school families
- Self-study to identify areas of strength and challenges

#### **Pillar II – Strong Catholic Foundation**

Goal: To provide opportunities for developing a personal and life-long relationship with Jesus Christ

- Help students to learn and know how to put their Catholic faith into practice while respecting the faith traditions of others
- Formation of school faculty and staff
- Foster a school community in which all stakeholders actively practice and live out their faith

#### **Pillar III – Exceptional Learning Environment**

Goals: To provide an excellent academic education rooted in the Catholic tradition in which each student is helped to realize his/her full potential. To strengthen support systems for delivery of an excellent academic education

- Maintain high-quality curriculum that is challenging as well as supportive
- Recruitment, retention, and development of qualified staff who are committed to the mission and philosophy of the school

## **Pillar IV – Dynamic Community Relations**

Goal: To increase awareness of and positive impressions of SS. Peter and Paul, a Catholic Community School in our community. To leverage these positive impressions into increased enrollment, new funding sources, and new partnerships.

- Effective presentation of all that SSPP has to offer
- Pursue new funding sources
- Pursue new partnerships with businesses, professionals, and others in the community

## **Pillar V – Long-Term Sustainability Through Sound Financial Management and Targeted Advancement Effort**

Goal: To provide for the long-term success of the school. Starting with a balanced student/teacher base, fill currently available seats in grades 1 through 8 and target long term enrollment growth from Pre-K and K up.

- Sustainable school size
- New registration procedure which will be used to determine number of homerooms
- Recruitment plan for neighboring parishes without schools
- Collaboration with other Catholic schools in our vicariate

## **Pillar VI – Continuing Investment in School Facility, Technology, and Academic Support Tools**

Goal: To provide the facility, technology, and academic support tools that meet the needs of students today and into the future.

- Facility enhancements
- Effective definition and communication of technology needs
- Clear procedure for budget requests related to facilities, technology needs, and academic support tools
- Effective communication between the Parents' Guild, Administration, School Board, and Finance Council related to needs
- Strengthen partnership with school families to provide additional support for school programs
