THIS SACRED MEAL

Today we celebrate the Most Holy Body and Blood of Christ. Each of the readings includes a blessing and a sharing of food. They remind us of the central place of meals in our lives. Each meal brings to mind other meals: the sharing of cookies and milk, pizza and beer, loaves and fishes, bread and wine. When we prepare a meal for our family, our friends, even strangers, we always put something of ourselves into the preparation and the meal itself. The Most Holy Body and Blood of Christ reminds us of what God put into the preparation for this meal that we celebrate today. We share this sacred meal and are transformed as we remember the death of Jesus and the sacrifice that nurtures our faith, sustains our lives, and supports our work.
