## RADICAL TRANSFORMATION

On this Thirteenth Sunday in Ordinary Time, the readings describe anything but an ordinary time. They are disturbing and they leave us disturbed. The Old

Testament reading recounts a young man's radical break with the past to follow a new path. The Gospel describes how life as we know it is abruptly changed if we follow the call of Christ. The psalm and Paul assure us that such life-altering change is possible only because of the power of God's love. We are presented with a stark choice. To love as God loves, we must leave our old lives behind. We must leave behind not just the bad, the selfish, and the evil but the ordinary, our daily work, and the important, our families, our lives. Loving as God loves requires a radical transformation, not a smooth transition.
