Feast of the Holy Family

The family is a jewel of God's creation. Our God - Father, Son and Holy Spirit – is a family. Just as individuals humans are made in the image and likeness of God, so is the human family. For this reason, Satan seeks to destroy both the institution and our personal families. This is evident in the cultural and spiritual war against the family we see happening all around us. Many of us are also disheartened by the heavy discord in our families.

Let us turn to the Holy Family for help. In Jesus, Mary and Joseph, we see the human family as God intends it to be. Their home was uncorrupted by sin. For thirty years, Jesus lived in this setting. Contemplate the harmony, warmth and love in their household. Meditate on how selfless, patient, gentle and kind they were with each other. Imagine the peace and joy in the home of the Holy Family.

If there is pain, anger or discord in your own family, do not lose heart. Call upon Jesus, Mary and Joseph, for they will bring healing, forgiveness and peace. If you feel discouraged by the apparent demise of the family in society, do not be afraid. Pray to the Holy Family, and remember God's solemn promise. The gates of hell shall not prevail.

Heavenly Father, you have given us the model of life in the holy family of Nazareth. Help us make our family another Nazareth where love, peace and joy reign. Teach us to see Jesus in the members of our families, especially in their distressing disguise. May we love one another as God loves each of us, more and more each day, and forgive each other's faults as you forgive our sins. Help us take whatever you give and give whatever you take with a big smile. Amen.
