## February 7<sup>th</sup>, 2021

### *Fifth Sunday in Ordinary Time*

“Everyone is searching for you,” the disciples say to Jesus. Two thousand years later we still search for Jesus, each in our own way, even when we do not realize it. There is a hunger in the human heart that only God can fill.

Once, while camping with friends, one of our young children wandered away from the group. She went in the wrong direction and found herself alone in the woods. We soon realized she was not in the camp and I started searching in the direction that felt right. I found her running deeper into the woods. Later she told me she had been trying to find me, but it was I that found her. She was looking in the wrong place, but we would have found her no matter how long it took.

It is the same with Jesus – we may be searching for him, but he is intently seeking us and he will never give up. He is the shepherd who searches for the lost sheep, the patient one who stands knocking at the door, the God who draws near to us when we draw near to him. As we enter into the Eucharistic celebration, our part is to let God find us, not to hide but rather to receive him as he gives himself in the guise of bread and wine.
