Dear Father Chris,

We are very much thankful to the Lord, you and the Parish for coming to our aid in such a timely manner when all hopes seem to have disappeared. Thank you and May the Lord God almighty continue to bless you and the Parish, we are very grateful. It is no exaggeration to say that, without timely intervention by Father Chris and the Parish, Corvid 19 could have killed many of these Liberian refugees. Thousands of refugees may remain at risk, and may die, and with them the hopes of their families, communities, and nations. We fear when the pandemic (Corvid 19) hit Ghana, our challenge and the focus of our most important endeavors was to do everything in our power in GOD'S name to save the refugees from this pandemic.

We are very grateful to Father Chris and the Parish for coming to our aid to rescue the situation. May the Lord GOD Almighty, pour out showers of blessings from His throne upon Father Chris and the Parish. Showers of Blessings to you and the Parish. Thank you once again.

Sincerely yours for Christ work,

George Bannerman  
Executive Director,
