Anointing of the Sick

Father Jim will be in Boston over the weekend of July 14/15. He will return on Monday afternoon. For this reason, our Communal Anointing of the Sick for the month of July has been moved to the following weekend, July 21/22.

Father O'Toole will be here for Mass on Saturday, July 14, and Friar Ed Mundwiller, whom many of you may remember, will be celebrating Mass with us on Sunday, July 15.

Beginning this month until further notice, qualified health professionals will be offering free blood pressure screenings here at St. Jude Church. They will be done on a monthly basis in the Cry Room on the weekends of Snack Saturdays and Donut Sundays. If you, or anyone you know, would like to take advantage of this free service, which is offered through our **Service Commission**, just stop by the Cry Room after Mass on any of the above mentioned weekends.

Loaves and Fishes

The Service Commissions' collection for Loaves and Fishes will run throughout July and August. Besides the regular household, cleaning, and personal care items, there is also a need for back packs and general back-to-school supplies which generally are on sale in August, but often out of reach financially for low income families.

Dear Father Jim and Parishioners of St. Jude

Thanks for hosting another very successful blood drive at St. Jude! We registered 11 donors, had no deferrals, resulting in 11 units on a goal of 10! Since each unit collected can help multiple patients, over 30 lives could be impacted from the donations at this drive alone! Thanks again to all on behalf of the donor recipients!

This is especially helpful prior to the Fourth of July Holiday! It is the blood currently on the shelves that saves lives. These donors are basically, the first, first responders! This time of year, blood levels at the hospitals are often at critically low levels, so every donation is greatly appreciated!

Thanks for your continued support of our life saving mission. Have a great day!
