The Conversation A Catholic Perspective on End-of-Life Issues

Principles of Catholic Bioethics, Advance Directives & Estate Planning, Catholic Funeral & Cemetery Planning

This is a free seminar to help you plan for the future in accordance with your faith.

It addresses what you can and should not be done during end of life situations such as breathing tubes, feeding tubes and medications, and what is acceptable at funerals, etc. It also gives great information about keeping all of your information (beneficiaries, drug info, doctor info) up to date and where to store it so it can be accessed in case of an emergency.

The final presentation of this program will be Saturday, November 17th at the Cardinal Rigali Center in St. Louis. Call 314.918-2890 for more information and to register. In addition to the speakers, there will be speakers from a funeral home as well as Cardinal Ritter Senior Services. And it includes LUNCH.
