REMINDER

This weekend there will be a meeting of the newly named **OHNAWEEM Commission** (formerly Community and Service commissions) immediately following the 9:00 AM Mass this Sunday. All members should have already been contacted regarding this meeting.

MEETING

If you've been here for Mass over the past month, you may have noticed that we were having some issues with our sound system in the Church.

We want to thank you for your patience with regards to having it repaired, upgraded and adjusted, and we apologize for any difficulties it may have created.

Also, while we were working on our sound system, we checked to make certain that our listening devices for the hearing impaired are in good order as some of them had not been working properly. They should all be working well now. If not, please let us know.

If you did not know that we had these devices available, you can find them in a box on the table in the Sacristy. Just pick one up on the way into church and return it on your way out.
