### AN EASTER SMILE

A grandfather was walking through his  
yard when he heard his granddaughter  
repeating the alphabet in a tone of voice  
that sounded like prayer.

He asked her what she was doing.

The little girl explained: "I'm praying,  
but can't think of exactly the right words  
so I'm just saying all the letters, and God  
will put them together for me because He  
knows what I'm thinking."
