## URGENT NEED - BLOOD DRIVE

The Ohnawem Commission will be sponsoring our summer blood drive at the church on Sunday, June 28th from 9:30 AM until 12 Noon. Please bring a mask...or one will be provided. The following letter is from the Mississippi Valley Regional Blood Center.

The need for blood is increasing nationally and our local hospitals are no exception. We currently have an urgent need for all blood types but have less than 1-day supply of Type O Positive and Type O Negative and less than 3-day supply of many other blood types. This is driven by increasing levels of activity at local hospitals and a high number of blood drive cancellations related to the COVID-19 pandemic. There's never been a better time to be a donor as we continue our response to the pandemic. Now more than ever it is clear how important donors are to our mission of improving the health of the people and communities we serve.

We will now be giving away \$10 gift card of choice to all of your donors at your upcoming drive, raised from \$5. While the vouchers we will hand out at your drive will still say they are for \$5, rest assured knowing that we will take care of your donors and ensure that all donors who give on 6/28 will receive a \$10 gift card. We are hopeful that this reward encourages your donors to feel pride in the important difference they are making in patients' lives. Community members like you make our home a better place. [End]

Our blood drives for the Mississippi Valley Regional Blood Center have always been a great success, achieving and frequently surpassing our goal. Please come out support them for this urgent need if you are able.
