### And now ..... A Word from our Sponsor

Characterize people by their actions and you will never be fooled by their words.

**A recent study has found out that women who carry a little extra weight live longer than the men who mention it.**

A few weeks ago, we encouraged folks to drop a card or note to our parishioner Vicki Hunn, who now resides in an extended care facility in Springfield, MO. As she can no longer write, she asks that we thank all of the "incredible people" who wrote to her. She keeps your messages nearby and wants you to know how much she appreciates your kindness. It was great to hear from her and hear in her voice how much her spirits had been lifted. Way to go, PARISH !!

We are repeating her address for anyone who would like to participate:  
 Vicki Hunn, c/o James River Nursing Home, 3550 Battlefield Rd., Springfield, MO 65809 (Room 112).

Please keep yourself, your loved ones and your community safe. The COVID -19 multiplies quickly and at best takes a very long time from which to recover.

- Practice social distancing.
- Wear masks.
- Wash your hands frequently.
- Protect others. Protect yourself.
- Use your prayers.

Then there's all the others who came in contact with these people.
