Our Thanks.

Dear Fr Gray and parishioners of St. Jude,

Thanks for hosting another successful blood drive at St. Jude! We registered 10 donors, had 1 deferral, resulting in 10 units on a goal of 10. This includes one procedure on our ALYX machine which provides a very helpful double red cell product to the hospitals. And since each whole blood donation can be broken into multiple components, 25 lives or more can be impacted based on the donations at this drive alone! Thanks again to all involved on behalf of the donor recipients!

My grandkids asked to know what it's like to be a mother. So I woke them up at 2 AM to let them know that my sock came off.
