Parish Lenten Mission

Help Wanted. We need everyone's help to promote our Parish Lenten Mission this week, Monday through Wednesday, March 9-11, from 7-8 pm in Church. Please spread the word on Facebook, email and by telephoning family and friends.

A Quality Mission. We are blessed to have three of the Archdiocese's youngest priests present our Mission on the theme, "Called, Forgiven and Sent by God." The three priests, Fr. Kurt Young, Fr. Colm Cahill and Fr. Andrew Gutierrez, all are recently ordained and all are filled with enthusiasm for their faith and priesthood. We will benefit from their zeal as they speak about God's love in *calling* us to himself, *forgiving* our sins and failings, and *sending* us forth to witness and minister in his name. Even if you can't attend all three nights of the Mission, come as your schedule permits.

Confessions available. At the end of the presentation on Tuesday, we will have the Sacrament of Reconciliation with several priests available for confession. This will be a blessed opportunity for forgiveness and healing during the Season of Lent.

Babysitting available. In order to afford parents with children the opportunity to attend the Mission, babysitting will be available in the rear of Church.

Closing Reception. At the end of the presentation on Wednesday, there will be a Reception in the back of Church with refreshments and the opportunity to socialize and share the graces of the Mission.

Prayers, please. Please pray during the coming days for the success of our Parish Lenten Mission in granting a spiritual lift to our parishioners and Parish. Thank you.

God bless,
Fr. Joe
