Happy Father's Day; Reopening of St. Joseph Hall

Happy Father's Day. Today our nation celebrates Father' Day. God created fathers for an essential role in family life. We see in the person of St. Joseph, the foster father of Jesus, the premium importance that God placed on having an earthly father.

Fathers cooperate with God in creating life. They love us, provide for us, protect us, serve us, form us in faith, and play with us. I fondly recall my father's involvement in my life through sports, picnics, camping, scouting, and through being front and center at every activity I was ever involved with.

Many people, unfortunately, do not have fathers who are actively involved in their lives – that is definitely not as God intends. Today, we give thanks to God for the gift of our fathers and ask God's abundant blessings upon them and their fatherly mission.

St. Joseph Hall has reopened. Speaking of St. Joseph, St. Joseph Hall has reopened for parish meetings and functions and for outside gatherings and rentals. We are operating the Hall in compliance with Covid social distancing guidelines. We can accommodate groups of 24 – 60 for a meeting or gathering with tables – with or without food (food must be prepackaged or servers are required). We can accommodate groups of up to 64 for auditorium-style chair seating without food. See the flyer with additional information in this bulletin and contact the Parish Office for pricing and to reserve the Hall.

God bless,
Fr. Joe
