Pandemic Chuckle, Parking Plan during School, Parish School of Religion and RCIA

**The Most Accurate Graph I've Seen
So Far During This This Pandemic!!**

Parking Plan during School: Hopefully, by the time you read this, school has begun. This promises to be a school year like none other with the social distancing restrictions of Covid. Except for funerals and special events, the School Yard not be available for parking when school is in session. The school will have exclusive use of the school parking yard from early morning till late afternoon for temperature checks, recess, and special procedures for drop-off and pick-up. The Parish Office parking area and Church Parking Lot will be available for parking throughout the day. Thanks for your cooperation as we accommodate the special needs and considerations of Covid.

Parish School of Religion: Our Parish School of Religion for public and private school students in Grades K-11th will begin on Sunday, September 13. We likely will have a combination of live instruction and virtual learning this year. We need to know how many students will be attending our PSR Program this year so we can plan properly. Please register your child for PSR by August 25. Thank you.

RCIA: The Rite of Christian Initiation of Adults is our Church's program for preparing adults who wish to enter the Catholic Church. We intend to begin our RCIA program in mid-September and need to know who will be part of the program so we can finalize our plans. The deadline for registration for RCIA is August 25. Please help us spread the word. Thank you.

God bless,
Fr. Joe
