OCTOBER 11, 2020

Dear brothers and sisters, members of councils, liturgical groups, cleaning crews, ushers, catechists and parents of our children who participate in catechetical programs:

I am deeply grateful for the commitment and dedication that has been noted by so many in our parish, especially the cleaning crews and ushers. Those responsible for Sunday Masses, musicians and other ministers have adapted wonderfully to the changes we have experienced. Thank you.

We have worked hard to open our catechetical program. During the past 3-4 weeks we have noted that many parishioners have returned to the practice of “in person” Sunday participation. Since we have been working to abide by all government limitations and archdiocesan regulations and since more faithful have returned, we have decided to officially **add two more Sunday Masses**, one in Portuguese and one in Spanish, making some necessary adjustments to the Sunday Mass schedule.

## Effective November 1st
