Be Thankful

It is easy to be thankful for the good things. A life of rich fulfillment comes to those who are also thankful for the setbacks. Gratitude can turn a negative into a positive. Find a way to be thankful for your troubles and they can become your blessings!

THANK YOU, THANK YOU to the dozens of volunteers who helped to make the Potato Fest and the Apple Cider Fest a BIG success. We sincerely thank the bakery crew for the countless hours that you all give, the “wrapping” crew who bags all the goodies, the “labeling” crew who takes care of all the containers, the “loading and transporting” crew who load and deliver the baked goods to and from their destinations, the folks who staff the tents at the festivals and the SFU Men’s basketball team who have helped us at the Potato Fest for many years. We thank each and every one of you, because without the “team-work” and dedication, none of this is possible. *May God bless you always.*
